

# Hilarious Magic of Sam Sandler

## DEAFinitely Magic

### Tech Rider

Thanks for hosting my inspirational Magic show. We look forward to entertaining and inspiring you and your students and faculty.

Before I go any further I want to be honest with you. I HATE contract riders and I know that you most likely don't enjoy them as well as you have lots of things going on at your school each day. But they are needed and they serve a purpose.

I see this as a way to help make my visit to your School the most productive and hassle free for both of us. It allows me to convey the needs that will help ensure a successful event for you, me, and those attending the show.

I am coming to your school to serve you and your community. Here are a few items that will go a long way in helping me do just that.

Let's call it what it really is – **A guide that will help me and my team serve you better!**

So I want to say THANK YOU in advance for your help in meeting these needs, as it will help me and my team do a better job serving you and making our visit to your school the most successful it can be.

Sam Sandler

America's only full-time Deaf illusionist

While we supply just about everything there are a few things we ask for that are easily found in schools.

We do ask that the custodian or other person(s) can help with the load in. Please have them at the office where I will check in upon arrival at the agreed arrival time. We bring in over 1 ton of equipment and the help is greatly appreciated. This also helps us get in quickly so that we can stay on track with start time of show.

#### **General venue information**

- Our show is packed into several large road cases some weighing in excess of 400lbs.

We will need to load in thru a double door **with NO steps**. If your door has a center post it will need to be removed and we ask that you either have it removed shortly before arrival or have the custodian ready to remove it upon arrival. (see contract for agreed arrival time). The doors we load in thru should be located as close as possible to where we park our truck and trailer.

This helps ensure we get in quickly and have proper time to set up the spectacular show.

- Please have the stage (or performance area) cleared prior to our arrival we need approx 18' wide and 20' deep- not including wing space and backstage. This insures we can start on time. If this space is not possible please contact our office to discuss. We can be flexible but knowing ahead of time will help us prepare properly. Sam can perform on almost any stage size however host must be aware that he may have to alter the show accordingly at his discretion.
- **Set up:** generally we arrive 90 minutes prior to show time and takes approx 45 minutes to set up once we are completely loaded in
- **Parking:** As close to stage area as possible for unloading show, You are responsible for making arrangements for our truck and trailer to stay in the loading area. This is for safety reasons as well as time saving. If it can not stay in load in area please provide space as close to this area as possible, currently a space of 75' is needed.

#### **Please have the following on stage prior to our arrival:**

- 4 folding chairs or similar
- Two music stands –if your school does not have music stands please let us know ASAP
- One folding long table – SET UP
- Small waste can
- Access to 2 separate outlets
- If you have stage lighting it will be used and we ask that person or persons knowledgeable of the lighting meet with Sam 45 minutes prior to the FIRST shows start time. If the lights can not be operated from the stage area then you must have some one there to operate the lights during the show. (They are only needed for our final illusion and its super simple, but makes a huge impact on this special illusion). Thanks.

That's it!

We really try to keep it super simple for you, so that you can enjoy the show along with every one else.

Thanks so much for hosting this spectacular and inspirational show. We look forward to meeting you and your students.

Magically yours  
Sam Sandler
